From the sold-out Aug. '02 SCORE, a "Dream SCORE" bearing a striking resemblance to Casey James.

CASEY JAMES DREAM SCORE

Dear SCORE,

I want to commend you on your magazine. SCORE is definitely number one for big-boob lovers! I purchase SCORE on a regular basis, and you always display the most beautiful, big-breasted women I've ever seen.

I have a wide collection of back issues all the way back to 1993. My all-time favorite is the April '02 issue with Casey James, SaRenna Lee, Minka, Kayla Kleavage and Maxi Mounds behind-the-scenes at the "Mega-Boob Olympics." What a piece of righteous work, and I love all of them.

I have a few issues of SCORE that have featured Nikki Knockers, Angel Eyes, Lisa Lipps and Alyssa Alps (my other favorites). Linsey Dawn McKenzie, Lorna Morgan, Brittany Love, Haley

Hills and Julia Miles have kept my attention for quite a while as well.

In closing, keep up the outstanding work. Keep featuring hot women and I'll remain a long-time fan.

Oh yeah, I have noticed you do not do "Dream SCORE" any more, probably because you ran out of people to do. I have one you haven't done yet—Casey James. Did I miss that one? If not, how about one of her?—R.A., Maryland

Dear R.A.: The "Dream" Casey took a double-team in the Aug. '02 SCORE which is, unfortunately, sold out.

DANNI IS GREAT, HOWEVER...

Dear SCORE,

Danni Ashe is just so beautiful. She is great, and the current photo layout in the Feb. '04 SCORE is a testament that

even to this day she is oh-so-gorgeous.

However, for a very long time now I have realized that she will never do dick, in photos or on film. She is just a tease. I remember seeing her in magazines many years ago and I remember receiving a "Best of SCORE" video with my renewal in which she performed, but not in hardcore.

She's a tease.

That is the main reason why I will never pay for a Danni's Hard Drive membership. Why bother?

Although Feb. '04 SCORE covergirl Danni Ashe has snacked on many famous carpets, hardcore is not her gig. Will she change her mind? Time will tell.

Are bigger boobs better? Looking at Autumn-Jade and an A-copper, the answer is pretty obvious. The only question is: "Do you want to see similar comparison pictorials in *SCORE*?" Write the SCORECard and let us know.

That's kinda my same feeling, again, when I see her in a new *SCORE* photo layout. "Oh, yeah, she's pretty, but why bother? She's just a tease and will never go all the way."

One of her peers, Chloe, has "gone all the way." I guess Danni must feel that it is beneath her to do the same. It is a shame. Oh well.

Anyway, I'm a long-time subscriber to *SCORE*, *Voluptuous* and *Naughty Neighbors*. Feel free to print this letter. Thanks.—E.D., e-mail address withheld

Dear E.D.: We agree with you 100%; Danni Ashe is a tease. And a damned good one! We, however, make that statement with the utmost sincerity and respect. We have stated this often, but will do it one more time for the benefit of new readers: The decision to do hardcore is a personal one to each model, and up to the model and the model only. At *SCORE*, we respect each and every model's decision, whether they perform hardcore or not.

NICE GIRLS DO FINISH FIRST

Dear *SCORE*,

What a joy it is to see Danni Ashe back in the pages of *SCORE*! As a long-

SCORE MODEL SEARCH
\$20,000 GRAND PRIZE

WHAT'S THE DEAL?

SCORE is searching for the next Linsey, Sharday, Nicole Peters, Ines Cudna, Via Paxton...the next big-bust superstar. And we're willing to pay big bucks to find her!

So, send in nude photos of your candidates. Polaroids, snap shots and jpegs are all okay. There's no better time to convince that super busty girl you have been admiring that she belongs in *SCORE* because on December 1, 2004, we're going to choose the best busty new discovery and give her a lucrative \$20,000 modeling contract.

THE RULES ARE SIMPLE:

Our editorial staff makes all decisions, and those decisions are completely subjective and final. This contest is open to any girl who has not appeared in a magazine. If you've been in *SCORE* or any other men's magazine, either as an amateur, model or even in phone sex ads, you are ineligible. The winner agrees to take an all-expenses paid, working vacation in sunny, beautiful, exotic Miami, Florida, where she will be photographed for five days in our state-of-the-art studio. The winner also agrees to sign *SCORE*'s standard model release and have her photos published in the magazine and on our website. This competition is open to all residents of Planet Earth, void where prohibited, 18 years old and older only, more legalese is in the official contest rules, which will be provided to all contestants upon request.

Big, beautiful tits are required. Natural or augmented. So send in your photos and you could well find yourself \$20,000 richer! The addresses are: *SCORE* Model Search, 1629 N.W. 84 Avenue, Miami, FL 33126 or score@scoregroup.com.

time fan of the beautiful blonde with the hourglass figure and the enormous all-natural boobs, your retrospective on Danni, as well as your pictorial "Danni Ashe 2004" (Feb. '04 *SCORE*), was much-appreciated. Danni Ashe is living proof that nice girls do finish first, so long as they have humongous hooters.

It has been a while since I've seen Danni in the pages of *SCORE*. I don't know if her reappearance represents a brief dalliance or the beginning of something more longstanding.

The reason why I bring the subject up is that I had letters-to-the-editor published in *SCORE* praising your now-famous pictorials "Is Bigger Better?" (April '01) and "Is Bigger Better? Part 2" (May '02). Some time ago, I wrote a letter suggesting that you might want to make the "Is Bigger Better?" pictorial an annually recurring feature, using a different pair of models each year.

Indeed, just recently, one of *SCORE*'s sister magazines, *18eighteen*, featured a pictorial very much like it, called "Opposites Attract: Big-boobed Autumn & Tiny-titted Kate" (Jan. '04),

though without the specific theme of a huge-breasted woman being preferable to a small-breasted woman.

Why does a big-boob glamour mag like *SCORE* show clitty work like Cassandra's? Because *she* and *we* can.

My point is this: I'm sure Danni Ashe is a very busy girl. But if she was able to clear her calender to pose for **SCORE** once, surely she should be able to clear it again for **SCORE** to appear in a "Is Bigger Better?" pictorial. I can't think of a better representative of big-boobed pulchritude than Danni Ashe.

If you have trouble finding a comparatively small-breasted girl to pose, how about Kate (34B) from the pictorial mentioned earlier? She was willing to pose side-by-side with Autumn who's a 34I-cup, although here, admittedly, the circumstances would be different. Ideally, of course, you would want to pair up Danni with a girl who was an A-cup or one who is completely flat-chested.

As should be obvious, I'm a big fan of your "Is Bigger Better?" pictorials (as are many others) and would love to see another go at this idea. And there's nobody more than Danni Ashe whom I'd love to see showing off her enormous bazooms shoulder-to-shoulder with a girl whom, shall we say, Mother Nature has rather short-changed in the boob department. It would be a lot of fun and yet more proof that, when it comes to boobs, bigger truly is better.

Thanks for the Danni pictures, and here's hoping that more might be on the way.--G.B., Tampa, Florida

The most beautiful babe ever featured in SCORE? It would be hard to argue against Welsh Wonder Lorna Morgan.

The best of all-time? She didn't have the boob power, but for the total package, Susanne Brecht is number one in the minds of many big-tit lovers

THANK YOU VERY MUCH

Dear *SCORE*,

Just some thoughts on the Feb. '04 *SCORE*. Overall it is the best issue you have had in a long, long time. Danni Ashe and SaRenna Lee are two great headliners with all the super-sized tit-power any *SCORE*-man would ever need. Newcummers Saholy and Melanie both rate very high also. Hopefully, we'll be seeing more of those two real soon. And Lorna Morgan is one of the most beautiful women ever to appear in *SCORE*. Her girl-next-door looks make me wish she had been the girl-next-door when I was growing up.

And let's not forget about another one of my favorites, Cassandra, who does the girl-girl thing with Ines Cudna and also Harmony Bliss. It's always a pleasure to see her in *SCORE*.

All around, a pretty darn good issue. Keep up the good work.—D.N., e-mail address withheld

THE GREATEST OF ALL-TIME?

Dear *SCORE*,

I know I'm tardy in writing, but I had to tell you that the "Naturals of Mammary Lane" feature in the Sept. '03 *SCORE* brought back many fond and erotic memories. The models featured were fabulous: Roberta Pedon, Jeannine Oldfield and Devon Daniels. What wonderful memories were re-kindled within me.

Especially gratifying for me was the

Continued on page 88

Readers loved the Feb. '04 return of SaRenna Lee. Will SaRenna's bra come off in *SCORE* again? You betcha! We have more SaRenna photos than any other mag, and you'll see them in future issues.

NICOLE PETERS

FOREVER A NICE GIRL, BUT NOW A LITTLE NAUGHTY TOO!

Remember the not so long ago days when Nicole Peters would barely show bush, much less outer or inner labia? The panties have come off and the dildo has come out for 2003's Newcomer of the Year—the most popular girl to hit Big-Tit-Dom since the bra. The action is on pages 16 and 18 if the anticipation is just busting your balls. If you can hold off for some light reading, we can tell you that not only has Nicole promised to show us more of her womanhood than ever before, she has also promised us an interview for next month in *SCORE*. Will Nicole deliver? Judging from this pictorial, the girl is as good as her word!

A landslide winner in 2003's Newcomer of the Year contest in both *SCORE* and *Voluptuous*, Nicole tends to be on the quiet side. But when we called Nicole to congratulate her on winning 2003's contests, she was in a chatty mood and basically talked our ears off...Is living at home with her dad, an accomplished artist with works for sale (details next month), loves to dance, would like to try girl-girl sex and who knows what else one day.

Don't get all crazy, boys, now that Nicole is getting frisky. Jack like crazy, even though Nicole gets very embarrassed when we tell her we love stroking to her photos. What can we say, she still does clam up a bit when you ask her for some sexy details, but that's girls for ya. She's young, and it's not like she's dancing on tables in the UK or making porno flicks on weekends. "I live in a quiet, little town and I help teach autistic children. I love to paint and I love children. I can hardly wait to have three or four of my own." Is that an open invite, Nicole? "I'm looking again. I just broke up with my boyfriend, so I'm available." Will any Tom, Dick or *SCORE*-man do? "I like funny guys who can tell a really good joke and make me laugh." Hey, Nicole, *knock, knock...*

BOOB BEAT

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

MEGA-BOOBS CRUSH VEGAS

SCORE PARTIES AT THE ADULT VIDEO EXPO

At the close of the 20th century, new Las Vegas residents Minka and Kayla Kleevage continued their massive chestal development. During this same time frame, the city of Las Vegas and the gaming industry entered into its phenomenal re-expansion period. Happenstance? Coincidence? I think not.

A mega-city needs mega-boobs and a mega-show, like *Adult Video News Magazine's* Adult Entertainment Expo, needs mega-babes to draw both the industry professionals and the people who love adult videos.

Las Vegas is the only city in the U.S. that could be the home of this convention. No other city radiates the 24/7 energy level of Vegas. Even the air itself is charged with electrical excitement.

For this fifth annual AEE (which once used to be known as the adult portion of the Consumer Electronics Show), *SCORE* headed to the Sands Expo along with Minka, Kayla and Vixen LaMoore to meet and greet the faithful at the exhibit of our national distributor Pure Play Media. To describe the effect the *SCORE*-girls have on both men and women, the words "shock" and "awe" come to mind.

Vegas was so jammed because of the Expo that we couldn't get rooms within two miles of the Las Vegas Strip. So instead of staying at the Venetian which feeds into the Sands, our travel agency booked us into the Artisan, a hotel that's 100% weird even by Vegas standards.

The biggest boobs in Vegas belonged to the *SCORE*-girls, especially those manning our booth, from left to right, Saholy, Minka, Vixen LaMoore and Kayla Kleevage. Even butt-men like Seymore Butts couldn't get enough of busty *SCORE*-babes like Kandi Cox.

Across the street from the Artisan was a nude lap dance club called Sheri's Cabaret. Happenstance? Coincidence? I think not. Veteran Vegas goers may remember this place when it was called Rick's Tally Ho. The same company also owns Sheri's Ranch, a legal bordello in Pahrump, Nevada.

Last year, over 15,000 general attendees and 8,000 industry insiders showed up for AEE. (The general public paid \$40 for a daily wristband.) It looks like 2004 exceeded those figures.

Last year at the show, we ballyhooed the *Mega-Boob Olympics* and *Boobs Ahoy!* (Boob Cruise 2000). This year, the videos promoted included *SCORE Xtra #5* (with Kayla and Minka busting the nuts of masked wrestler Blue Balls), *SCORE Xtra #6*, the early episodes of the *Busty Dildo Lovers* series (*Volume #3* featured Vixen), *Stacked and Packed*, *Ben Dover Does The Boob Cruise* and *Voluptuous Xtra #4*.

Several changes awaited everyone this year. A new security measure required all exhibitors and talent to pick up their own individual badges with a picture ID and then get their photos taken. That included

Minka, who doesn't need a photo ID to prove she's Minka, if you catch our drift.

This caused massive lines because the exhibitors couldn't pick up the badges for all of their personnel in one swoop. Then, when entering the exhibit hall, the badge's bar code was scanned by a doorperson to verify the photo on his scanner with the face of the person entering.

Although badges have been "illegally" passed around for a decade, this security policy was the answer to some incident that occurred at last year's show. The system worked pretty well except on Saturday when poor Vixen vanished off their hard drive. She had a time-consuming wait to get reinstated but fortunately she was able to get back in.

The second change was a total ban on alcoholic beverages imposed on the second day that motivated the Sands Expo bartenders to start drinking heavily as any hopes of making tips evaporated like the fruit juice they were left to peddle.

Besides *SCORE Videos*, the exhibit at Pure Play Media was also home to Seymore Butts and his Tushy Girls Mari Possa and Flower, the uptown "artcore"

films of Michael Ninn and the videos of veteran photographer Suze Randall. Ninn never attends these shows personally. His beautiful actresses like Georgia Adair do all the greeting and meeting. Suze herself was there for a few hours along with her daughter Holly, a photographer following in mother's footsteps.

Directly across from *SCORE's* ultra-mammary madness was, you guessed it, the booth of Sheri's Cabaret and Ranch, and their bevy of sexy pole dancers headed by a hot chick named Alexandra. Happenstance? Coincidence? I think not. Hey, it's always good to have dancers and cathouse girls as neighbors.

Seymore (Adam Glasser) is now mainstream due to Showtime TV's reality series "Family Business." Every episode of this show follows Seymore and his adventures in the world of making porn as well as his personal life. He's definitely a cool guy who found success paving his own road. (And he got to fuck Tiffany Towers 10 years ago!)

While the Pure Play guys headed by Richard Arnold and Sieg Badke took care of business with the buyers, Minka and

Sometimes the best vantage point is from down below as Texas Barbie's assistant (center) can attest. He got a good look at every girl, including Ava (left) and May '04 *SCORE* newcomer Deauxma (right, brunette), shown here posing with an anonymous lady, who looks pretty hot. That's the beauty of Vegas tradeshows—even the so-called "no-names" are hotter than your average lady.

Kayla were their mega-busting selves, as entertaining, as funny and as satisfying as always. Adding Vix to the mix created an eye-popping trio that drew thousands of sweaty maniacs blasting away pictures and videos with trembling hands. No other studio at the show could match the sheer bigger-than-big breast power in the SCORE booth, which was our goal.

During the three days of action at our section of the exhibit, we invited numerous "guest stars" to hang and pose for thousands of camera and camcorder packing horndogs. Towering Texas Barbie (aka Barbie Bennett; Nov. '03 SCORE) made a house call dressed as a nurse with a little assistant in tow. Who wants to be tall when you can stick your head up Barbie's skirt without having to hunch down? This was a lucky dude.

Saholy, a hot, little, exotic number first seen in Feb. '04 SCORE and in SCORE Xtra #10, came all the way from Indonesia to soak in the crowds and noise of the Expo and to meet the SCORE models she's only seen before on paper. This girl's a charmer with enough sweetness to cause sugar shock.

Courtney isn't super busty, but she was nice enough to smile for The Beat, so this is the least we can do.

And the tits just keep on coming. From the cutie pie you know as Friday in the upper left corner, we're going clockwise to: the asian nurses flanking *SCORE Xtra #10* newcummer Saholy; *Voluptuous Xtra #7* star Lisa Sparxx, *SCORE Xtra #8* nut-buster Kelly Madison flanked by Vixen LaMoore and Minka; Sin City super-titter Elizabeth Starr; and the girl who would be governor, Jan. '04 *SCORE's* Mary Carey.

Deauxma, a very sexy woman, made her solo debut in last month's issue and there's an *Xtra* pictorial on the way. This was the first time that Deauxma's gone to an Expo. She dropped by *SCORE* to say hello and didn't resist when we pulled her in to join the others. After watching Deauxma greet the crowds, it's evident that she loves meeting people.

Darby (who did her debut in a limo in March '04 *SCORE*) joined in before she had to leave for Cheetah's, where she does that lapdance thing.

What can we say about Kelly Madison (*SCORE Xtra #8*) besides that she's an incredibly horny and devilish nut-busting bra-buster. (That means we like Kelly a lot.) She could have stayed at our booth for all three days if she wanted.

Yet another very welcome special guest was Kandi Cox (*SCORE Xtra #6*, April '04 *SCORE*), a truly great babe. Motorcycle mama Kandi is another one of those special cum-coaxers that makes being a boob man a real pleasure.

Lori Pleasure, the "sexbot" in *SCORE Xtra #10*, joined in and got to meet Saholy, which both ladies loved. It gave Lori the opportunity to tell Saholy face-to-face how excited she got watching Saholy's assfucking and pussy shaving scene. In fact, Lori said she watched Saholy's scene twice. All of these chicks were very nice with friendly personalities, and they were fun to be with. Not one of them had the porn star attitude that was in full force elsewhere that weekend.

Then there was a slinky Vegas local who calls herself Mercedes Mounds and dances at Sapphire's, one of the two new super-clubs that opened last year. Mercedes turned out to be a real crowd pleaser at *SCORE* central. Upbeat and high-energy, just the way we like 'em. Mercedes couldn't keep her hands off her pointers for a second, which every guy with a camera liked recording.

A visitor causing one of the biggest ripples in the place wasn't even a female with big jugs. It was a surprise appearance by Mike Tyson and his entourage on Saturday, day 3. Fortunately Mike didn't come by and bite Minka's ear off for a snack. You never know in Vegas.

There was a squad of *SCORE* readers, Scoreland.com members and veteran

Bikinis, lingerie and pasties were the name of this game, as all of the ladies, including Alexandra (upper left), Mercedes Mounds (above) Vanna Lace (left), pleased guys by showing as much as the morality police would allow.

Boob Cruisers (Ray, Ricky, Jonesy and Bob) and our Brit correspondent "T" in town. They were counting on a breastacular, and we hope they got it. We also got to meet and thank our Boob Brother, Jose (aka "Crazy Jose") of the Breast Expansion Archive, who always has good words to write about SCORE. Stay loco, Jose, and no worries.

Other SCORE babes spotted all over the place included the girl who would be California Governor Mary Carey (*Busty Dildo Lovers* #4), Brittany Andrews (several Boob Cruise vids), Kim Chambers (June '03 SCORE), Friday (SCORE Xtra #6), Diane Diamonds (a hardcore pictorial in the SCORE special magazine *Buxotica*), Sofia Staks (March '00 SCORE), Sexy Anne Marie (Feb. '03 SCORE), Sara Jay (SCORE Xtra #10), Elizabeth Starr (Oct. '00 SCORE), Taylor Wane (Dec. '99 SCORE), Ava Divine (Dec. '03 SCORE) Alexis Amore (SCORE Xtra #7) and Lisa Sparxxx (*Voluptuous Xtra* #7).

Standing next to Minka, I spotted Danni Ashe (Feb. '04 SCORE) a few feet away and waved. She saw us and came over to say hi. Danni and Minka hadn't seen each other in a long time and from my point of view, it was great to see them together again. It hit me as we talked that it was almost ten years ago that they kissed each other's nipples in the London studio of John Graham. How time flies.

There's nothing that Vixen loves better than to play dress-up, and she's really good at it. On the second day, she came as one of those Japanese comic-book school-girls with the wildly stylized hairdo, plaid skirt and everything else that makes a hyper-sexy anime character. You should have been there and seen Vixen's huge rounded, mounded cleavage, which drives Chinese waiters (and your friendly, neighborhood SCORE columnist) goofy with excitement. But no worries, boob brothers. Log into Scoreland.com where you can see a video of the Expo action at the SCORE exhibit.

And that's the deal from fa-boob-lous Las Vegas. Everybody spun, everybody won. We give thanks to the universe for giving us big breasts of every kind and for the women who love to show them to us in SCORE magazine. See you next year in Sin City!

VANESSA BLUE

BLUE-BALLS, ANYONE? START YOUR STROKIN'!

It's kinda weird calling Vanessa Blue a "new" model. Yes, this is her first time in *SCORE*, but she's been humping on camera since 1996, so well in fact that she's one of the most lusted after black and stacked chicks in the porn world, has made over 100 films, has a brand new website and is now branching out into directing and producing her own adult films. The girl has done it all, except for one eensy, weensy thing. "I wanted to be in *SCORE!*" says Vanessa, who has no problem telling it like it is. "If you have big tits, you have to be in *SCORE!* Plain and simple!" Spoken like a true *SCORE*-girl!

So, who is Vanessa Blue and what's she all about? Born in Texas, raised in Nebraska, lives in California, Vanessa was training to be a paramedic in 1996 before she started dancing in the O.C. for some extra cash. Then she did a girl-girl video in 1997 called "Black Snatch," and she's never looked back. Her favorite sex toy is the Fukouoku 2000, she loves "female superior" sex, women who act like women, sexual role playing and answering all of her own e-mail, but only the "good mannered" ones. "Too many people have forgotten how to speak to a lady." C'mon *SCORE*-men, make us proud!

VANESSA BLUE

WEBSITE: www.VanessaBlue.com

A softie despite her dominant sexual tendencies, Vanessa actually took three years off from the adult world to spend more time with her family. ("My mommy and twin baby sisters needed me.") But now she is back in the jizz-biz and is turning to the Internet with the same passion she has making fuck-n-suck films. "I have so many fantasies I'd like to share, and I fully intend to use my website as my platform to do all the nasty things that most video companies would never allow me to do!" You go, girl! And, if you go online, check out our latest *SCORE*-girl at www.vanessablue.com.

Marketa

PLAIN AND SIMPLE: ONE OF THE BEST FUCKS IN THE WORLD!

It's *SCORE* Groupie confession time: We'd all love to fuck Marketa! Wives and girlfriends, our apologies. But compared to this curvy, beautiful, horny Czech-mate who also has some of the fullest, softest, spongiest titties we've ever seen, most other women might as well be men.

Take a good look at this classically beautiful face, then imagine her fragrant breath breathing sweet somethings into your ear, her delicate fingers gently stroking your cock while her thick nipples caress your arm. The breathing stops as you feel her silky hair slide down your stomach, her breasts massaging your thighs, those gorgeous lips taking the first inch of your shaft, and then another and another until you disappear completely, her eyes looking up at you with desire. It can't get any better, you think. Until her tight, hot pussy grabs your cock and her orgasmic squeals liven your senses. Only then do you know...Heaven is a *SCORE*-girl in heat. A *SCORE*-girl named Marketal!

VIDEO: *Hard SCORE* (XXX-Rated, turn to the Video Club on page 98 to order, video review on page 8 of *SCORE Xtra*)

Not only a great fuck but a great tit-fuck, one of life's toughest decisions would be where to put your manhood given a week of lust with Marketta. Her pussy is juicy and tight, a love vacuum few women possess. But it's those incredibly soft, engulfing breasts that would drive any tit-lover crazy. Wrapped tightly around your cock, yet spongy and responsive to every stroke and as soft to the touch as a velvet pillow, her cleavage is the stuff of dreams. Unfortunately, until that cloning thing gets crankin', most of us are doing mags and video. For the paper, there's *SCORE*. For the DVD, there's *Hard SCORE*. Both are big slices of hooter heaven.

COLT 45

TIT-CHAT WITH THE STAR OF *BUSTY DILDO LOVERS* #4

Interview By BRUCE ARTHUR

If all feature dancers were like Colt 45, well, we'd have no hardcore videos, that's for sure. But the world would be one helluva great place.

Much to the dismay of big-titty porn guys the world over, Colt 45 doesn't do the dick on camera. Still, a nicer, more talkative lady you'll never find, so we consider that a good trade-off.

SCORE: How's it going Stifler's mom?

COLT 45: God, can you believe that?

SCORE: Just so our readers know, after your Nov. '03 *SCORE* cover, you got the *American Pie* references.

COLT 45: Actually, I was the first one to

say it when I saw the cover. "Oh my god, I look like Stifler's mom!" I told a couple of my friends, showed them the cover, and they said the same thing.

SCORE: A mother we'd all like to fuck!

COLT 45: Yeah, but I thought she was a bit fat looking in that movie.

SCORE: But you're not, and you are quite fuck-worthy.

COLT 45: (Laughing) Well, that just makes me feel a whole lot better! I did appreciate being on the cover, though. It's always great to be in *SCORE* and to be on the cover is even better. Boy, it's loud sounding. Maybe the hotel people are listening in.

SCORE: Feel free to talk dirty.

COLT 45: You know I don't do that.

SCORE: Okay, interview over!

COLT 45: That's just not my style. I don't even like to dress slutty. I keep it real low-key, unless I'm in a club.

SCORE: Where are you dancing now?

COLT 45: In Louisiana on the outskirts of Shreveport at...jeez, I can't remember. I'm like that. People will ask me where I was, and I just look like a dummy because I can't remember.

SCORE: Still dancing a lot?

COLT 45: I try to go out every other week. Oh, I remember where I am this week. I'm at the Wild Orchid.

SCORE: And, where will you be in June?

COLT 45: That I know. In Hawaii! At the Crystal Palace and the Crazy Horse. It's like a paid vacation. They put us right on the water. It's great.

SCORE: You've been dancing...God, as long as I can remember.

COLT 45: I started in 1991.

SCORE: In this world of nomadic features, you still have the same cell phone number you've had for years.

COLT 45: Yep. I have moved homes, though. When I first started featuring, I figured I was on the road so much, I might as well rent out my house. Thirty people wanted to rent it, so I thought, "Man, I could have rented out 30 houses." It was actually a good push, because I started buying houses, and I have 10 now. I buy foreclosures, gut them, then rent them out.

SCORE: The Carlton Sheets method?

COLT 45: No, hell no. I don't watch that stuff. I figured it out on my own, like everybody else could do if they wanted to. I'm like that. I'm very independent, and I like to do things on my own, be accountable to no one but myself.

SCORE: Life sounds pretty good. Do you still enjoy dancing?

COLT 45: Sure, but I have to retire some time, right? I'll probably give it two more years at the most.

SCORE: How do you keep the passion?

COLT 45: Actually, I'm more of a comedian and I love entertaining people. Before I started, I was a waitress and I used to always make people laugh.

SCORE: Where did you waitress?

COLT 45: El Chico's at night, and I unloaded 18-wheelers at the K-Mart by day. In San Antonio.

SCORE: But, you're a girl!

COLT 45: It doesn't matter. I love to work. I've been working since I was 13. My first job was at Taco Bell. I don't know why, but I just love to work. I get bored if I don't do something. I guess I am "old school." That's why I haven't retired yet. I need to do something and

I can't just fish all the time. I love to work, but there are some things I won't do, like porn. I need to know somebody more than a couple of hours before I do it. I tell everybody I know, "Ya gotta love me to do me."

SCORE: Who loves ya now?

COLT 45: (Laughing) My mamma!

#4 (X-Rated, available
in the Video Club on
page 98 of
this issue)

SCORE: And, not Denise Derringer.

COLT 45: No, we're just friends. I knew she would do good, though. When I brought her to see Peter [Wall, *SCORE* staff photographer], I knew she would be great. Ya'll did a great job on her in that January issue. That was beautiful.

SCORE: Back to the K-Mart days, that was 11 or 12 years ago?

COLT 45: Right. I was unloading clothes

and boxes. Not the really heavy stuff. I loved doing it. But, the waiters at El Chico's, most of whom were gay, would tell me all the time, "Girl, with your body you need to be a dancer." They got me drunk on beer, took me to a gay bar and I danced for women. I figured, because they had the same things I did, it was okay. I was very shy then.

SCORE: So shy that you danced on stage

in a bar full of horny gay women?

COLT 45: (Laughing) I was drunk. The girls went crazy, too. My friends told me I was passing up \$20 bills because I was too drunk to see them. The little black deejay was a girl, and when one of my pasties broke off, she almost broke her neck getting over that deejay booth to run on stage and help me get the pasty back on. Then, she cornered

“I CAN SUCK THE CHROME OFF A TRAILER HITCH!”

me in the dressing room after the show to try and make out with me. Four months later, some friends had a traveling show, and I tried it and have been dancing ever since then.

SCORE: Any favorite club?

COLT 45: Hmm...I would have to say On The Border in Milwaukee. Nice people, great guys and just a lot of fun.

SCORE: How does a guy get your attention when you're on stage?

COLT 45: Hands me a stuffed animal or

something very touching. Flowers and stuffed animals. I like those and always remember them. One guy put a big stuffed animal on stage before I came out, and I was like, "Oooh!" (Laughing) It was a big Winnie The Pooh.

SCORE: What's your favorite animal?

COLT 45: I like monkeys. Orangutans, in particular, but I like them all.

SCORE: Favorite flower.

COLT 45: I love orchids.

SCORE: No booze?

COLT 45: Not any more. I just can't handle it anymore. My body does not like alcohol. Too many horrible hangovers.

SCORE: Not the party animal any more?

COLT 45: I do at the clubs. I'll hang with guys and drink every chance I can get. Just not as much as I used to. I've never been one to stay in the dressing room and stare in a mirror like some girls. I'm more down-to-earth, and I like to hang out with people. That always surprises

“What’s the big deal, Stanley? Tits are tits!”

Milly

CZECH MATE NEXT DOOR

It's official: Big-Tit-Dom is smack dab in the middle of an Eastern Euro big-tit renaissance. Ines Cudna, Iva, Marketa, Cassandra, Veronika... That water in and around the Czech Republic has got the magic ingredient, and here's the newest beneficiary. Milly is her name, she's slim, stacked, 100% natural, doesn't speak a lick of English, but who cares? Milly speaks the international language of big titties, and looking at her first-ever photos, she's damned fluent.

MILLY

BIRTHDAY: June 15, 1979 **AGE:** 24

HEIGHT: 5'7" **WEIGHT:** 118 lbs.

MEASUREMENTS: 38-22-34 **BRA SIZE:** 32DD

BORN, RAISED & LIVES: Prague, Czech Republic

OCCUPATION: Waitress

With saucer-sized areolae and an itty-bitty waist, Milly is that classic Barbie-doll big-titter so often sought after, but so rarely found. A track star in grade school, her legs are lean, her body lithe and those dugs... *yowza!* They ain't salt water taffy, but her pliant dugs would sure taste sweet between our front teeth. As for personality, Milly looks quite frisky, but the truth is, she could be a mute and who would care? Easy on the eyes and big in the chest make up for everything.

“Get A Bigger Penis!”

Can these miracle pills make your dick bigger?

Article By MILES HAMILTON

The promises come fast and furious.

“Gain up to 3+ full inches in size!”

“Increase your penis girth 25%!”

“100% money back guarantee!”

And, if you have e-mail, they come often. More often than you, your boss or even your kids with AOL restrictions would prefer.

Yes, we’re talking about the latest, greatest medical miracle that has seemingly taken over the electronic super-mailway—the get a bigger dick phenomenon...guaranteed.

Striking at the heart of the male psyche, preying on most every man’s innate feeling of inadequacy and the need for just one more inch to make himself a “real man,” so-called “pharmaceutical” companies world-wide are pumping out so much male enhancement products, it’s a wonder the Earth’s entire male population isn’t walking bow-legged from all of the extra weight between their legs.

Some of the more marketingly brazen

companies, like Lifekey Healthcare, Inc., distributors of Enzyte, have even taken to sponsoring a Nascar team to go along with their creative cable TV advertising. Other companies have advertised on Howard Stern and bought infomercial ads in target rich publications like *Maxim* and *Playboy*.

With all of the testimonials from both men and women, these pills have to work, right? After all, if they sponsor a race car in the Nascar Busch Series, there has to be some truth to the claims?

That depends on who you get the “truth” from.

The medical truth is that all of these pills contain herbs and minerals, many of ancient Chinese origin with near mythical aphrodisiac qualities, that have either been proven or are reputed to increase blood flow, although none have been proven to do so specifically in the human penis.

The goal of all penis enlargement pills, at least the medically stated philosophy is that during arousal, arteries in

the penis relax, allowing an increase in blood flow. This blood flow fills the corpora cavernosa—the spongy chambers of the penis—creating a firm, swelling effect we affectionately call a “boner.” By increasing blood flow, you can get a bigger, fuller erection, the logic goes.

There are critics, many critics, who state rather emphatically that no one herb or a combination of herbs like Ginseng, Yohimbe, Saw Palmetto or (our personal favorite) Horny Goat Weed have been clinically proven to do anything about penis size.

Dr. Glenn Braunstein, a noted endocrinologist, has spoken out publicly in objection to penile supplements stating that, “I am unaware of any scientific or medical evidence that can support or justify the advertising representations as to penis length.”

Other penile enhancement providers also dispute the effectiveness of any magic pill out there.

“What we do works,” says Brandon Reece, president of Reece Marketing of

St. Joseph, Missouri, who has operated www.penilefitness.com since 1999, a non-medicinal, exercise regimen for penis growth. "You get tiny little fiber tears in the cells, similar to what happens with a muscle. It heals and becomes a little stronger, a little larger."

There is some back-up to Reece's beliefs. To this day, members of the Sadhu tribe of the upper Ganges hang weights from their penises until they reach such dimensions that their owners have to tie a knot in them (reportedly up to 18 inches).

And Reece is racking in the dough. In his first year in business, he reportedly received more than six million hits on his website and has a clientele of over 50,000 men who have paid \$39.95 or more to learn Reece's secret exercise.

We'll give you a taste for free.

"Pull your penis directly out in front of you until you feel a good stretch in the middle of your penis and at the base. Hold this stretch for a 10-count and repeat three more times. Now, slap your penis against your leg about 50 times to get the blood back in where you have been squeezing."

A big cock, via exercise.

Why not? If history has shown us anything, it's that the schlang has always been king.

Visitors to Dorset, England get their own marketing blast in the form of the Cernes Abbas Giant, a second century A.D., 180-foot figure cut into a chalk hillside sporting a 25-foot boner. Ancient Japanese books are illustrated with guys sporting thigh-size hard-ons. Roman art is littered with images of the supernaturally sized deity Priapus and the Kama Sutra is loaded with some major wood.

Has mankind grown as a species? We jumped out of the trees, walked to the horizon and beyond, sailed out in boats when the world was supposedly flat and headed to the heavens hoping to find divinity. Now, we've come full circle and are all obsessed with the cave art drawings of men with huge dicks.

And the internet is loaded with sites to show you how, many claiming to be "objective" websites that review enhancement products, though the objectivity is questionable at best when they are sponsored by enhancement companies and/or contain links to specific websites selling enhancement pills.

To date, *Consumer Reports* has not conducted their study.

SCORE TESTING NOTES

Honestly, we were hoping for big-things—literally, figuratively and phallically. The best we got in return was...a nice, tingling sensation when we took a whiz. The worst? *Leg Sex* editor Chris James' heart started racing after he took the Enlarge Plus penis pills, and though we assured him it was probably from the anticipation of being hung like Man of War as opposed to Sea Biscuit, we told him to stop after one night. Then, we gave those pills to our IT guy here at SCORE, Jerry Thomas, and he reported the same anxiety. Therefore, Enlarge Plus got tossed from our non-scientific, completely subjective study. Yes, there is a huge margin of error, the highest educational degree amongst our crew is doctor of laws, not medicine, and, well, you get the idea. We're not scientists. We're just horny SCORE Groupies, who were hoping for the best.

SCORE editor Michael Uwate (Ultimate Enhancement and Enzyte): "I'm the guy with the nice, tingling sensation when I took a pee. I took 'Ultimate Enhancement' for one month, and it did promise to detox and tonify, so I guess they kept their promise. My pee was as clear and crisp as rocky mountain spring water. Call Pete Coors! What Ultimate Enhancement didn't promise is I would be pissing like a girl for a month—every 10 minutes—so that was a special added bonus. As for length and girth...no enhancement whatsoever. I kept looking down there thinking, 'Come on, you can do it!' That dog just wouldn't hunt. And, oh joy, I got to do all kinds of exercises to, how did they put it, 'accelerate penile growth.' Stretching here, pulling there—not exactly something you want your kid walking in on. Ultimate Enhancement did ask for comments, so I should have sent them a copy of SCORE. You want accelerate growth, here ya go, buddy! As for Enzyte, which is really herbal Viagra, they have a long way to go. I tried Viagra once, and I got wood so hard and long, I could have cut glass and lots of it. With Enzyte, no growth. No girth. Sorry guys. No wonder drug here."

Boob Beat Columnist and associate editor Elliot James (Virility Pills-VPRX): "Nothing. Just a limp noodle! I guess I'm going to have to go back to Mike's [Uwate] old penis pumps. I didn't have a heart attack, so that's a good thing. I was really worried about Ephedra, and even looking at the ingredients, they speak in herbal tongues so it's hard to determine exactly what everything is. If I was to recommend anything to anybody, it would be to not waste your money or take a health risk before talking to your doctor."

SCORECARD editor Bruce Arthur (Power Enlarge Pro and Enzyte): "I was the lucky man who got to use Power Enlarge Pro. Michael gave me that one because he loved the name and he figured I'm an old geezer who could use all the help possible. Believe me when I tell you this, I wanted this to work. Sixty bucks a month for huge results is nothing compared to \$600 a month on lapdances. I didn't get a tingling sensation when I pissed, nor did I get two extra inches and 25% growth in girth. Nothing. Nothing at all. It may as well have been a placebo. With Enzyte, I did feel that my boner was harder than normal, but it may have been wishful thinking. It could have also been because I have Ines Cudna and Nicole Peters calendars hanging on my walls and I just love those two girls. Since I've stopped taking the Enzyte, I haven't noticed any wood difference, so I guess it was the calendars after all!"

"Jeez, Helen, if jacking to SCORE won't make it bigger, what will?"

No Help Needed...Celebs who are reportedly packing

In his 1995 book *Penis Size and Enlargement: Facts, Fallacies and Proven Methods* (Hourglass Book Publishing), Gary Griffen devotes an entire chapter to "Well-endowed celebrities." Here are some excerpts.

JIMI HENDRIX: "Rock's premier psychedelic guitarist was hung like a bull. Scores of groupies spread the word that his cock was 'damn near as big as his guitar.'"

MILTON BERLE: "It's 'a well-established fact' that 'Uncle Miltie' is the King Cock of Hollywood."

ERROL FLYNN: "The late actor best-known for his salty swashbuckling roles delighted in exhibiting his manhood to close friends."

CARY GRANT: "A former amanuensis of Grant wrote to me, stating that [Grant's] flaccid cock lied flat against his belly, almost reaching his navel. A size 8 (20 cm)."

DON JOHNSON: "One look at the phallus that made Miami Vice a prime-time staple and you can see why Melanie Griffith married him twice."

STEVE MCQUEEN: "According to one of his lovers: Like two Coors beer cans welded together."

EDDIE MURPHY: "Star of Beverly Hills Cop, Murphy is known to be very well hung—probably in the 8-9" (20-22 cm) range."

LIAM NEESON: "His reputation as a truly BIG star is now widely disseminated."

DAVID CASSIDY: "With monster phallic genes inherited from dad Jack Cassidy, it was inevitable that son David would be a 'chip off the old block.'"

SHAUN CASSIDY: "David isn't the only Cassidy boy with a lot to crow about... A reader of an earlier edition of this book claims... 'a good approximation of his size is 8" (20 cm) in circumference and 9 to 9-1/2" (22-23 cm) in length.'"

WARREN BEATTY: "Women who have enjoyed Beatty's amorous advances swear that he is hung like a donkey."

MIKHAIL BARYSHNIKOV: "Nine inches of Russian salami, claims a former paramour."

TOM JONES: "Loyal fans fight for front-row tickets to get a glimpse of that legendary bulge in his peter-pinching tights."

HUMPHREY BOGART: "Sources claim that he sported a pendulously long cock."

Active Ingredients? Apparently, It's An Herbal Thing.

Most penis pills contain the same herbal ingredients, sporting legendary claims. Here's a look at a few of the more common ones used in enhancement pills.

YOHIMBE: An evergreen botanical native to Africa, believed to be a traditional male aphrodisiac and used worldwide for the treatment of impotence.

MUIRA PAUMA: Native to Brazil, it has long been thought to improve libido and increase sexual potency. A French study showed 62 percent of patients with loss of libido had significant improvement while 51 percent of patients with erectile dysfunction reported benefits from Muira Puama.

SAW PALMETTO: Sold in grocery stores as a dietary supplement, Saw Palmetto is widely considered to be beneficial for prostate health. Native Americans used the berries as a treatment for impotence.

CATUABA: The historic traditional use of this herbal tonic is legendary. Many say it is the most famous of all the Brazilian aphrodisiac plants. Many songs praising its wonders have been sung by the Brazilian Indians. It is often used in combination with Muira Puama for tonifying the male sexual and urinary organs, specifically as an aphrodisiac and for impotence. There is a saying in South America that says, "Until a father is 60, the son is his; after that the son is Catuaba's." It is said that regular consumption of Catuaba bark leads first to erotic dreams, which are later followed by increased libido. Catuaba is considered an "innocent" aphrodisiac, meaning no adverse side effects have been reported in its use.

GINKGO BILOBA: Ginkgo is considered the oldest living tree species on earth. Used to increase arterial blood flow, which many clinicians believe has a beneficial effect on sexual function in men.

GINSENG: Chinese, Korean and American Ginseng are commonly sold to stimulate healing of wounds and white blood cell lymphocytes. Used for more than 1,000 years in the Far East, Native American tribes have used American Ginseng for hundreds of years to help with sexual problems. Almost all the Ginseng grown for the world today is grown in Marathon County, Wisconsin and then exported to China.

HORNY GOAT WEED: (Also known as Epimedium Sagittatum Extract) A Chinese herb often referred to as a "Yang tonic." Epimedium is commonly used as an aphrodisiac and aids in relieving sexual dysfunction.

L-ARGININE: An amino acid thought to improve erections, L-Arginine helps transport nitrogen through the body. L-Arginine supplementation has been successful in improving fertility in men by increasing low sperm count and motility. L-Arginine produces a natural growth hormone, thus helping to increase the erect size of the erectile tissue in the penis.

GINKGO
BILOBA

But SCORE has, and the results were, much to our dismay and in spite of high hopes, uniformly dismal. (See testing notes on page 59.)

Not for lack of effort, mind you. Our staffers followed the instructions faithfully and our rather embarrassed editor took one for the team by volunteering to take the pills that required a supplementary and daily exercise regimen consisting of penile exercises, all in the name of science and, more importantly, a bigger cock.

We were all hoping to "Maximize Our Potential" as Enzyte stated in its literature or "Enhance Girth" as Enlarge Pro claimed, and we relied on the "many years" of developmental research touted by just about every manufacturer to help our wood grow to the size of a redwood.

Now, we just feel like complete morons...loaded up on Yohimbe and a shitload of other herbal supplements with asian sounding names you can barely spell, much less pronounce.

Unfortunately, we're not alone.

The penis growth phenomenon has grown to a billion dollar industry worldwide. Between enhancement surgery, patches, pills and, we kid you not, hypnosis, companies are selling and men are buying the hope of being hung, and consumers are getting bombarded from all fronts. E-mail, snail mail, television, newspapers and magazines. On a recent trip to South Beach, SCORE's editor even saw a plane trailing a banner that read: "Want A Bigger Penis. Call..."

Enough already.

The pills don't work.

There, we said it.

Some of the penis enhancement companies have said it also, though some under subpoena.

The most celebrated case of fraud in the penis pill industry involved C.P. Direct, a Scottsdale, Arizona company that "developed" Longitude, one of the more popular penis pills before agents from the U.S. Customs Service and the Arizona Department of Public Safety shut it down on May 23, 2002.

Not only did the company sell bigger dick pills, they also sold Full and Firm, advertised as an

Normally with Big-Boob Hall of Fame inductees, we provide a photo retrospective of their careers. But when we were reviewing our archival photo stash of 2003 nominee Tawny Peaks, we lucked into discovering this unpublished layout. In 1993, when these photographs were shot by John Graham, Tawny was just beginning her modeling and dancing career. She was a star on the rise when we invited her to sail with us on SCORE's first Boob Cruise in 1994. The petite Michigan native wooed the Boob Cruise pioneers during that first voyage and went on to become one of the most popular dancers of the fabulous, big-boob 90's.

Tawny started her career under the name "Helena" back in 1990, discovered in Daytona Beach, Florida by Graham and *SCORE* president John Fox, along with Tiffany Towers. Helena changed her name to Tawny Peaks in 1992 and, for all of you trivia buffs, Tawny was the first-ever *SCORE* interviewee doing the tit-chat thing in the July '93 issue with guest interviewer Montana, at the time one of the top feature dancers in the world. Over the next decade, Tawny would appear 13 more times in *SCORE* running the gamut from solo, girl-girl and boy-girl, establishing herself as one of the best *SCORE*-girls of all-time.

Bust, by a meager 23 votes for 2003's final spot, joining 2002 Hall of Fame inductees Traci Topps, Busty Dusty and Devon Daniels. Congratulations Tawny, for joining *SCORE*'s select sorority of the very best of the best.

people, that I'm down-to-earth.

SCORE: What's the impression, and what's the reality?

COLT 45: I think men are really scared when they don't know me. I remember when I would go shoot pool with Denise and some friends, and guys would avoid me. I never knew why, and some of my friends would tell me, "You're scaring the hell out of people. You're too pretty, and they all think you're going to tell them to go fuck off or something." I never thought of myself like that.

SCORE: Do you think you're beautiful?

COLT 45: I'm okay. I wouldn't go as far as beautiful. I guess I'm just average. My boobs are what grab so much attention. Even though I try to dress down, you can't hide these puppies. They're so soft, too. All of the dancers like to squeeze them because they're so soft and spongy. You should have squeezed them a few years back when we met that time in Vegas.

SCORE: Well, I didn't want to be rude.

COLT 45: (Laughing) I would have let ya squeeze 'em for a while!

SCORE: Now you tell me!

COLT 45: (Laughing) I will say this about myself, I think me and Kim Kupps and Nikki Knockers, we have the nicest feeling boobs.

SCORE: Where is Kim?

COLT 45: She's still out there. She called me two weeks ago just to shoot the shit. I like Kim. She's a great girl. Nikki Knockers, too. In my opinion, she was the number one feature. If you ask all of the club owners, they would say Nikki Knockers and Leslie Wells. Nice girls, easy going, great with the guys and they put on great shows.

SCORE: Where do you rank?

COLT 45: I don't know. As far as bubbly, I like to talk to people, regardless of how much money they have. I know girls who only go after the rich looking guys. Me, I don't care. As far as a "show," I don't come close to Leslie Wells and Devon Michaels. They're much better performers than me.

SCORE: You're so humble.

COLT 45: (Laughing) I'm just honest. I'm not much of a dancer. I'm more of an entertainer. I don't put on a big, glamorous show. I do more of a person-

al show—an audience participation kind of things. I always ask the guys, “Do you want me to paint myself or do you want my boobs around your face?”

SCORE: An easy decision!

COLT 45: (Laughing) I think so!

SCORE: And you don’t lobby for yourself too much. I can’t remember you once bugging us to put you in the mag.

COLT 45: No, that’s not my style. I’m not too conceited. I don’t own any gold or diamonds. I spend all of my money on my family trying to help them out. I’m more of a giver than a receiver. It makes me feel better about myself. I’ll even comment about girls. When I see a flawless, beautiful girl, I tell people. And I’m not even gay.

SCORE: What’s beautiful in women?

COLT 45: I like pretty girls. Big boobies, too, and I like tight, pink pussies, not those big, hairy ones. (Laughing) I’d be gagging the whole time. I like them little, tight and pink, and I feel bad saying this because a lot of my friends have those big, baboon cookies.

SCORE: But, you’re not really bisexual.

COLT 45: I am when I drink too much. Staci Staxxx’s roadie was gay, and she used to ask me, “Colt, why do you only like women when you’re drunk?” I don’t know why, but I do. When I get drunk, I flirt with women all the time. And, I’m not gay at all. It’s weird.

SCORE: Sexually speaking, since we have no porn references on you...

COLT 45: I love giving head...blowjobs. That would be the best part of it. I’d rather give head than have sex. That’s how I get turned on. But, it would have to be a man who can take it, I don’t want to say rough, but, let’s put it this way (laughing), “I didn’t suck start the Harley; I swallowed it!” I can suck start a Harley, the chrome off a trailer hitch!

SCORE: Give us a blow-by-blow?

COLT 45: No, I’m not that kind of girl. I will tell you that I like massaging it with lotion, but then it tastes all yucky. I’m a nice girl, too. I wouldn’t even use a strap-on on a girl because I wouldn’t know what to do. Plus, I would be scared I would hurt her. I remember Minka pulled me up on stage one time, gave me a dildo to do her and my eyeballs almost popped out of my head. I was just looking at her thinking, “Okay, now what do I do.” Minka looked at me and said, “Colt, you terrible!” I told her, “Minka, I’m scared I’d hurt you.” Then, her manager looks at me and

says (laughing), "Colt, she took Ron Jeremy up the ass. I don't think you're going to hurt her!"

SCORE: That sounds just like Minka.

COLT 45: Oh, she's great. I just love her. She's a lot like me on stage, too, because Minka isn't much of a dancer, but she certainly isn't shy. Minka will shove anything up there. Me, a minute on stage, I'm all over the guys. I'm picking up beer bottles with my tits. I have to tell you, when I pick up a beer bottle with my tits, you can't get it out. They're really soft, but boy are they tight. Just like my pussy.

SCORE: No sucking beer out of a bottle with your pussy?

COLT 45: No, I can't do that. I bet Stephanie Evans could. She once shot water across a club with her pussy. Her "pussy power show." She shoots ping pong balls, lit cigarettes, you name it. Me, I don't do any of that. I'm not a cookie girl, I'm a big titty girl. I like to smother guys with my tits. (Laughing) I should rent them out a snorkel, too, so they don't have to come up for air! I like it when guys walk away and say, "I had a great time." That makes me feel good.

SCORE: We're almost out of time, so instead of sex and fucking, I wanted to ask you about...fishing! The biggest?

COLT 45: (Laughing) Thank you! I swear, I swear, I'd fish from my living room if I could. I love fishing. The biggest is...eight inches! (Laughing) Okay...a three-foot shark. A black-tip. I like catching sharks because they put up a really good fight. I don't like those fish that just swim to the boat.

SCORE: Catch and release?

COLT 45: Not in the past, but I think I'm growing into an old softie because now I just can't stand to hurt them. I know I'm getting old now because I'm starting to feel sorry for fish.

SCORE: Well, honey, we're out of time...go fish! Unless you'd like to give us blowjob details.

COLT 45: There's really no way to explain. I tell you, though, if they had a popsicle sucking contest, mine would be gone the fastest. No contest. (Laughing) Vacuum cleaner companies should call me to do commercials!

SCORE: And how should Hoover, or any interested guys, get ahold of you?

COLT 45: I have an e-mail address now...centerfoldcolt45@cs.com.

SCORE: Thanks for the talk, Colt.

COLT 45: My pleasure. See ya.

DIANE
POPPOS!**

It's been several years since Diane Poppos did a video. This new one is geared to the leg lover—and huge-boobed Diane has quite a pair of sexy legs. See her model a variety of hot shoes and stockings while she coaxes the viewer to blast-off time. Diane plays with her pretty feet (and even licks them!), models sexy lingerie and undersized bras and sucks on cigarettes and cigars. Like the saying goes, "Pop for Poppo!" Diane appreciates your

"implant in a bottle" that would increase the bust size of the consumer by two or three cup sizes in a matter of weeks. Another product was Follicure to grow hair, Stature to increase height and Long Jack to help your golf game.

That's right, they sold a pill to improve your golf game.

And, they sold a lot of them, estimated from corporate documents at \$74 million in pills to between 350,000 and 500,000 consumers. Of that number, corporate whistleblowers have estimated that Longitude made up 90% of the sales, and presumably the golf pill was the bottom dweller, although the actual sales are speculated to be much greater due to widespread and well orchestrated acts of internal fraud.

Under the terms of a civil complaint settlement with the Arizona Attorney General's office, the state seized 13 luxury homes and property valued at more than \$20 million, a fleet of luxury cars and tens of millions of dollars in cash from C.P. Direct and its main officers, Michael Consoli, Geraldine Consoli and Vincent Passafiume.

It was Passafiume's girlfriend, Suzanne Rye, who told state prosecutors that, in spite of the Longitude advertisements stating the revolutionary penis pill was "a breakthrough product that will make your penis grow until you are satisfied with your new size," and that users should discontinue taking Longitude when they hit nine inches to avoid causing discomfort to their sexual partner, it was all a not so elaborate hoax.

Rye confessed that she and Passafiume studied ingredients listed on websites advertising similar products before coming up with the Longitude formula. She also admitted that no medical experts were ever consulted, nor was any scientific testing done on the product.

Not surprisingly, when court scientists examined the different products distributed by C.P. Direct for breast enhancement, penis growth, hair, and, yes, golf, each of the pills had the identical ingredients. The *exact same* ingredients. Pecker or putter, it didn't matter.

Ironically, the case against C.P. and Longitude did not arise out of the

inherent and obvious fraud in selling a pill that would make you golf better, but in the company's marketing and credit card practices. We have seen many "testimonials," many touting to be independent, raving about Longitude. Those who were dissatisfied had problems getting back their money as per the "guarantee," and that's when the men with badges investigated.

Forgetting for a moment the "sucker is born" truism, and that people should consider any pill that helps you golf better as a sign that you're getting rooked, at the heart of this entire industry is...money. Which leads us to the money-back guarantee and ordering with a credit card, either via the telephone or on a very professional, medically appearing website.

Not to rip Enzyte too much, because they do have some entertaining ads on ESPN, but for those of you who call their toll-free number or visit their website and sign up for the "free" trial, we advise you to bend over while ordering and spread your ass cheeks wide.

In Enzyte's defense, they did send out a "free" 30-day trial (for a s&h charge), and like all of the companies we tested, it arrived in a plain envelope.

However, after the first 30 days, we received another 60-day supply and our credit card was automatically charged the "discounted" price of \$69.95. Should you order Enzyte, we advise you to instruct your bank not to accept any more debits (as we did), as Enzyte attempted to redebit two months later, in spite of their sending a confirmation of our termination.

That's all part of their "Established Customer Program" and "Premier Pricing" (a "special benefit available only to Established Customer Program members), which also provides a full refund after purchasing a 12-month supply, provided that you save ALL of the bottles and the invoices. That's part of their "Three Great Reasons to Trust Enzyte!" marketing approach.

I have three words for anybody thinking about Enzyte.

"Don't do it."

What a sham!

From those you talk to in the penis growth industry, that's business as usual. Utilizing creative marketing techniques that can dodge misrepresentation and fraud statutes while still piquing the interest of consumers and

getting them to shell out that \$69.95 or more...with free shipping.

Consumers must just be blinded by hope, because even Enzyte states in their literature, "There is no known ingestible proven to alter the natural size or shape of the penis." I.E., it ain't gonna work there, little guy.

It's all a marketing sham, and a well orchestrated, highly effective one that has all in the penile enhancement field, pill pushers and alternate enhancers, on their guard.

A.J. "Big Al" Alfaro touts a regimen of stretching and exercise as the only legitimate path to penis expansion via his website www.forsize.com, and he admits that both his website and "other sellers have toned down their ad copy a bit because of what happened to the C.P. Direct guys."

Big Al was also quick to note that, "Even with the exercises, I can't promise anything. You've got to be careful what you say."

Spoken like a true salesman.

There are a lot of them out there, and not much the consumer can do except use his own common sense.

Stephen Barrett, a retired psychiatrist who operates the quackwatch.org website believes consumers have to develop their own defense mechanisms, because nobody else will.

"The average person thinks that the government protects us and that if a product's claims weren't valid, it wouldn't be allowed," Barrett warns. "Obviously that's not the case."

Common sense, say penis stretchers Big Al and Brandon Reece, will take consumers a long way.

"If a pill could make your penis grow by somehow affecting the soft tissue, it would swell your nipples and lips and nostrils as well," says Reece, who states the obvious.

The problem is, people know the obvious, but they want the fantasy. And they'll pay 50 bucks or more to get it.

A small price to pay for a lifetime of lockerroom "oohs" and "ahhhs!" and porn-stud status.

At SCORE, we paid a lot more for the pills to do this article, although we can always claim it was for journalistic purposes and we never actually believed the pills would work anyway.

Perhaps if we spam everybody, like the pill pushers do, our readers will actually believe us, too.

CANDY

A YEAR OLDER AND THAT MUCH SWEETER

Oh yeah, we have a sweet tooth this month, so who better to satisfy it than Candy Hall. You remember this leggy, busty babe...July '03 dancer-next-door, exotic looking hottie with the personality of a choir girl who has now posed nude all of...two times. Double our pleasure, double our fun? *You betcha!*

The hottest topless bartender known to mankind. Actually, that's what Candy tells her parents, being the bashful type and all, that whopper of a dildo notwithstanding. Actually, Candy is a former local South Florida housedancer who is now in a So-Be school for make-up design and styling. In the heart of the modeling capitol of the the world, Candy has resisted offers from the big name agencies to model mainstream, instead wanting to work behind the scenes. That didn't stop Candy from coming back to *SCORE* for one more go 'round. Though, according to Candy, this may be her last appearance at our office, unless it's as our studio stylist. Please, Candy, study hard!

Susanne Brecht. I think she is the greatest model of all-time. This shapely, busty blonde was the epitome of feminine beauty.

The 1990's were a great time for big-boobed babes, and Susanne Brecht led the pack, setting the pace with her blond locks, blockbuster body and big, buxom breasts.

She has the face of an angel with sweet looks and a spectacular body. Susanne also had a special presence before the camera, as though she was actually looking at you in a sweet, but very sexy way.

Her full breasts with pale pink areolae seemed to have a life of their own. Her areolae were like two pink roses shining erotically on the alabaster skin of her breasts. The flowing waistline completed her hourglass figure.

Susanne's beauty was sublime and her erotic appeal overwhelming, obviously by my rambling.

Thank you for running this photo of Susanne, and please, run more if you have them.—A.R., New Jersey

GLAMOUR PHOTOGRAPHY?

Dear SCORE,

As a SCORE reader, I appreciate your magazine very much.

However, I am wondering why you show the big-breasted model putting her fingers around her clitty or focusing on that part of her body in every pictorial. This is not what I regard as glamour photography.

When I saw Cassandra's clitty hanging down from her body, I just had to look away.

Why have you cut Diane Poppos' body down under her head in two layouts in 2003. Do you intend to obtain a special impression by doing this?

All we ever see of Diane in SCORE are two big breasts in a lodger room.

You should use the Jan. '04 issue of Julia Miles as a model of how to show a big-breasted model. That was excellent.

If you just show massive breasts in one picture, please lift the camera a bit up on the model to show the rest of her as well. This goes for all models. Even though they have big breasts, I believe each model has a personality as well.

Please try to have a slightly darker

background to the photos of your models. That creates a more romantic frame for the reader. Also, I love the "At Home" articles. More.-T.T., Norway

BUSTY LINGERIE

Dear SCORE,

My name is M.A. and I am a fan of your magazine. The last issue that I have is the one with Ines Cudna, Dec. '03. I really don't have it with me because I am in a men's central jail in downtown Los Angeles since March of last year, and we are not allowed any nude pictures, magazines, etc.

The only time I have a chance to see it is when my wife comes and visits me.

I like women with big breasts. My wife is a 38DD and when she comes and visits me, she flashes them to me and it turns me on.

I have a question.

My wife has a lot of trouble finding sexy lingerie that accommodates her large breasts and all of her curves. I would like to know where you would recommend she buy her sexy linerie.-M.A., Los Angeles, California

Dear M.A.: Both Fredericks and Trashy Lingerie in Hollywood have storefronts, and online www.wickedtemptations.com has a vast selection for the fuller-figured woman.

THE CHELSEA QUANDRY

Dear SCORE,

Having recently received my issue of the Feb. '04 SCORE through the post via subscription, I was amazed to see that you published two wonderful photos of Chelsea Charms.

I use the word "amazed" because you hardly ever publish anything of this truly beautiful and amazing model. We get the odd photo now and again in the "Boob Beat," but that's about it. Not since your pictorial spread way back in the March '00 issue of SCORE have you featured Chelsea.

Now, the only word I can think of is "why?" Your magazine is the number one big-boob magazine in the world. There's no denying that. I've been buying SCORE since it first came out and think it is simply the best. That's why I just renewed my subscription for 2004.

But, may I ask this simple question? If you're "No. 1 in Big Boobs" and bring your readers girls with the biggest boobs, for example Casey, Minka and Maxi on a regular basis via pictorials

and videos, why do you not do the same with Chelsea Charms? She's up there with the rest and must be one of the biggest-busted models of all-time, which I'm sure you would agree with. So, and here comes my question again, why don't you feature Chelsea on a regular basis as you do all the other girls I've just mentioned.

Do you not want her in SCORE? Is she under some contract that prohibits her from appearing in SCORE? Has she fallen out or is she upset at SCORE?

These are some of the questions I ask myself every time I receive your magazine and Chelsea is not in it. I'm sure I'm not the only one who buys SCORE and repeatedly asks the question, "Where is Chelsea Charms?"

So, is it possible you could give me and other readers of SCORE an answer or an explanation? Come on guys! Make me and thousands of other boobmen happy and either feature Chelsea in SCORE or give us all an explanation why you don't feature her any more.

I hope this letter isn't too long, but I just needed you to know and to explain to you my disappointment in SCORE not featuring Chelsea Charms.

I also hope, out of respect to a long-time subscriber, that you will, at the very least, publish my letter and give me an explanation or some answers and not simply throw this letter in your office trash bin.—G.C., England

Dear G.C.: We have asked Chelsea repeatedly over the past three years to pose again, and each time we have asked, she has declined our offer. Her reasoning is that she does not want to appear in magazines any more and prefers to have her photos strictly on her website, www.chelseacharms.com, where ironically, she still sells copies of the March '00 and June '00 SCORE. Your letter reminded us that it was time for to ask Chelsea once again, as we do monthly, and, again, she declined to pose. Feel free to go to her website and voice your opinions to Chelsea personally.

If you have comments, criticisms or suggestions, send them to: SCORECARD, 1629 N.W. 84 Ave., Miami, Florida 33126. Or e-mail us at: score@scoregroup.com

HANA

THE SEXIEST, BUSTIEST HAIRDRESSER IN THE WORLD?

Let the fantasizing begin...You cruise into Super Cuts for that quarterly haircut, and you spot her. An innocently flirtatious smile, cute face and a rack that gets your cock throbbing. After a few minutes, she calls your name, puts a bib on you, then gives you that massage/wash, and you try like crazy to think about baseball as her full breasts rhythmically massage your face. No such luck. Your bib rises, her fingers stop, and then she leans over and whispers in your ear...“It’s okay, my name is Hana, and I’m glad you find me attractive.”

Referred to by many as the "Czech Annie Swanson," primarily because those two look alike in body and face, that's where the comparisons end. Annie is a horny girl who loves fucking on video. Hana is a horny girl, but no video. She's just an extraordinary hairdresser who still lives at home. Hardcore? Hell, we're just glad Hana posed again.

Not at all bashful about using a dildo, Hana told us that she has to hide her sex toys at home, and that she only plays with them when her parents are out. "I can't do it when they are home. I make too much noise. Even though I try to be quiet, I can't help myself. When it is inside me vibrating, I get tingly all over and the feeling grows and grows until this incredible explosion hits me so hard, I almost faint. It's embarrassing talking about it...But, I like it. I like it a lot." No video, Hana? "God, no! That would be too embarrassing." Damn entertaining, though. Just think about it, okay, Hana? "I will, I promise." That's all we can ask. Thanks for the second look, Hana.

What kind of lady is Chantz? In between her *SCORE Xtra* fucking, one of our editors asked about her dress size, and she yelled out, "I'm not the lady from *Leave it to Beaver!*" Then she talked about all kinds of Fem Dom stuff. "Yeah, I'm into kinky, fun stuff. A girl, a guy and a big strap-on. Think of a big, horny fuck sandwich with me in the middle." What's her ideal guy? "Any man who likes dirty mind games." Fantasies? "Too illegal to mention!" June Cleaver she isn't...thank goodness!

FOUR ALL-NATURAL HARDCORE DEBUTS

Review by ELLIOT JAMES

The debut volume of a new XXX series, *Hard SCORE 100% All Natural XXX*, kicks off with four new major discoveries worshipping trouser-snake like a god.

All four *SCORE*-girls—Marketa, Iva Kleinova, Carmen and Brandy—are fresh, young, pretty, shapely, and,

most importantly, have extremely large, beautifully developed natural tits. They're bubbling over with the hormones of horniness, so their on-screen, no-condom fucking doesn't have the predictable look found so often in the work of over-exposed porno pros.

As in the best-selling *SCORE Xtra*

hardcore video series, every scene is videotaped for maximum boobage, meaning the emphasis is always on the girls' knockers in some way. This is what separates true big-tit hardcore from your garden variety, A-cup standard porn in which there is no special concentration on the girl's chestal endowments, and it's what

One of the most gorgeous and horniest big-tit naturals of the year, when you see Marketa with a dick in her mouth, you'll never want the scene to stop. You'll think the same thing when you see Marketa getting tit-fucked, but it's this Czech hottie's horny fucking that sets her apart. Watch for her grunting, squealing orgasm. It made us cum like crazy, and it'll do the same for you!

separates all of The SCORE Group's big-titty videos from the rest of the pack. We call it "Boob Vision." If you've seen any of the *SCORE Xtra* videos or even this newest line, *Hard SCORE*, you know what we're talking about.

For this newest video, *Hard SCORE*, our production team made a special trip to Prague just to capture Marketa and Iva in hardcore action. The girls are worth all that and more because they are two super smokin' titters who know how to please a guy in the sack with their heavy handfuls of breast-flesh and two of the horniest, *fuck-me-and-fuck-me-hard* attitudes we've ever seen.

MARKETA

Marketa is a Czech hottie first seen in June '03 *Voluptuous* and then in Holiday '03 *SCORE* and then doing the hardcore thing in the March '04 *SCORE Xtra*.

On *Hard SCORE*, we begin with Marketa sitting on the bed with a stunt-dick and they're looking at a pictorial of Rachel Love in the Sept. '03 all-natural issue of *SCORE*.

"You think your tits are bigger than hers?" he asks, using the *SCORE*-man's devious form of psychology to goad her into proving how hot she is between the sheets.

"My tits are bigger," Marketa counters in a matter-of-fact tone.

This results in the guy lowering her see-through top to suck on her boobs for a spell before he sticks his swollen knob in Marketa's mouth and between her cleavage.

A true breast lover, he mounts her full, beautiful tits for fucking as she lays on her back. She squeezes them together so his cock can slide through the breast valley alternating with Marketa sucking and jacking the tip.

It's a tit-fuckers dream cum true, and we could watch him nail Marketa's gorgeous...and we do mean *gorgeous*...cleavage for hours. In fact, you have to wonder why anybody would leave her cleavage fuck-tunnel, but every hardcore video needs good fucking, and once Marketa gets ready for cock, you know that, as hard as it is to tear yourself away from her boobs, heaven is but a pussy and mouth away.

He enters her hot, wet pussy in

When you see Iva getting fucked in the ass, you'll know, she doesn't just love it, this 19-year-old lives for it!

Riding a thick cock reverse cowgirl is just one of the positions March '04's Carmen assumes. Between doggie, cowgirl, missionary, side-saddle and even the famed pile-driver, Carmen made her *Hard SCORE* video debut a memorable fuck, not only for the viewer, but for her as well.

missionary position and begins the pumping action. Marketa gets fucked in reverse cowgirl, sidesaddle and doggie, each time getting drilled hard enough to nearly break the legs off the bed.

It's in doggy that Marketa has a loud, grunting, squealing orgasm from all the vigorous thrusting.

Then she mounts cock in cowgirl. The camera gives us a great angle of both Marketa's swinging tits and her firm, voluptuous ass.

Marketa takes a break from riding his stiffie to lick and jack it. She's tit-fucked again until her soft jugs coax a massive load that covers her breasts, neck and chin.

Seeing beautiful Marketa and her major league hooters getting plowed will only make you want to see more of her, and the more you see of her, the more she's going to become one of your favorites.

CARMEN

Carmen is an incredibly slim-n-stacked nurse on her rounds. We should all get a nurse like her instead of those bitching battle-axes we're always stuck with. She enters her patient's room to give him a series of exams which consist of using a stethoscope and a blood pressure cuff...on his big, fat, horny dick.

Hey, our type of nurse. For her last exam, she sticks a thermometer in his mouth while she mounts him and tit-fucks his rock-hard pole with her world-class boobs. This is shot in point-of-view which makes you feel like it's your cock getting treated.

Carmen doffs her nurse's uniform, leaving on only her heels. She mounts the patient again and performs one of the greatest, saliva-dripping, slurping blowjobs we've ever seen, on the same legendary level as Sierra's rod-sucking.

Carmen turns around and in doggie position shows her fine ass cheeks to the patient, spreading her wet snatch open for his finger. Holding her tits with both hands, Carmen gets on her back for a missionary fucking. Her tits jiggle like only natural, big breastflesh can, as her hips swivel in response to the thrusting man-pipe.

The camera then shifts to a point-of-view that makes you feel like

HARDCORE MISTY KNIGHTS

VOUS LEZ VOUS COU SHEZ BIG TITS? PARLEZ VOUS FUCK & SUCK? DO YOU HAVE TO ASK?

We've all had the fantasy...cute French-maid, big tits, pretty face, shuffling around the house, giving you ass and cleavage shots while you jack off in the bathroom to the memory. Normally you have to go to sleep to fuck her in dream-land, but this month, there's no need. *SCORE Xtra* is in the house, and so is our French Maid.

Does Misty Knights speak French? Who cares! She's got a big valley, a great cocksucking mouth, and she does all the fucking and sucking you can imagine on video. *SCORE Xtra #5* is the flick, and because Misty is a fantasy girl cum true, she makes another *SCORE*-reader fantasy cum true on *Xtra #5*—the lapdancing cop. Hey, who needs reality when you have a busty French Maid and a lapdancing cop with tits like Misty's!

We couldn't believe cute Brandy Talore did hardcore for us, but once she started on this fat cock, we just couldn't stop watching!

HARD SCORE

Continued from page 10

you're the one doing the fucking.

A side-saddle hump is next. Carmen is a squealer and makes a lot of noise during the whole video, but this scene in particular got us going from all of the great audio. No boring elevator music or annoying hard rock necessary to get you pumping. At *SCORE* we prefer the sounds of screwing, and with Carmen on *Hard SCORE*, you get lots of them.

Next, her patient gets her into a modified doggie with one leg further up than the other which gives us a great view of her chest and gravity-pulled hangers as she's furiously fucked from behind.

Carmen's next fuck position gives us another perfect view of her splaying tits as she squats on cock, fingering her clit. The showstopper is when Carmen gets piledriven; laying on a pillow on the floor, her legs pulled backwards so that her ass is in the air, her tits are splayed and pointing to her face and her hands are holding her ankles in place. A final suck-off

and Carmen's gorgeous tits are splattered in patient-paste.

Carmen is another *SCORE*-girl you'll want to see again eating cum.

IVA KLEINOVA

We found 19-year-old Iva in the Czech Republic shortly after discovering countrywoman Marketa. She debuted in a solo pictorial in *Holiday '03 SCORE*, and we gave you a good look at her ass-fucking escapades in the April '04 *SCORE Xtra*.

Czech girls, like many Euro-babes on the continent, are a videographer's dream cum true because many of them love to fuck on camera, and they won't spend years just doing solos or girl-girls before they agree to XXX boy-girls. (Zuzanna and Cassandra are two famous examples.)

The boob-psycho who hammered Marketa earlier lavishes praise on her wonderful rack by fucking Iva's perfect tits as she sits on the edge of the bed. Iva is only wearing panties and heels. She alternates sucking his meat and rubbing it on her breasts. On her back, she plays with her tits while she's injected with hard cock, then, in something you almost never see in adult videos, he alternates between fucking her ass, fucking her pussy and fucking her mouth without any interruption whatsoever.

This is the all-time raunchiest bit of action ever in a *SCORE* video. They switch to reverse anal cowgirl, exposing her cock-filled ass and opened pussy before, without an edit we promise you, her pussy is stuffed with cock. Iva sucks her nipple and squeezes her tits while she's hammered in her pussy side-saddle.

In doggy with hanging boobs, Iva's again banged in both her pussy and in her asshole without a break.

These Czech girls will do anything, and Iva clearly enjoys sex when the guy is controlling and demanding. Iva asks that her tits be squeezed hard and her asscheeks spanked hard. She bites and licks her tits in raw passion as her ass is fiercely fucked. Once again in sidesaddle, her young asshole and cunt are drilled at jackhammer speed. The camera lingers on this without any cutaways. Holding her tits tightly together, Iva's breast-fucked again until the guy can no longer take anymore and

blasts her tits and face in one of the hottest couplings *SCORE's* ever shot.

Iva is eager and enthusiastic for fucking, bringing the young girl's fascination with a man's hard dick to its ultimate levels.

Plus, and we state this having seen all kinds of anal videos and pretty much every big-titter who has ever done anal in 30 years, we've never seen a 19 year old like Iva take it in the ass with this much passion and this often in one video, squealing with pure joy and pleasure with each thrust. The girl can take it in the ass like few women in the world, and with her cute face, curvy body and great, all-natural boobs, she's destined to become one of the world's greatest porn superstars.

BRANDY TALORE

Brandy is one of 2003's best discoveries. She's a pretty, 22-year-old cutie with a cock-hardening body, little-girl voice and the kind of natural, very large tits that everyone dreams of sucking and fucking.

It's been a big year for Brandy in solo action. Your trusty reviewer has been in touch with Brandy over the past months, asking, hoping, praying that she'd consider taking hard cock for the team. Ask enough and ye might receive.

As the video begins, our big dick-surrogate is reading *Voluptuous* when there's a knock on the door. Why, it's Brandy, selling subscriptions to *SCORE* and *V-Mag* and campaigning for Newcomer of the Year.

He's already got subs so there's only one thing to do...fuck Brandy. There's some standing breast worship, then Brandy gets on her knees to oralize his meat-shaft, her sweet lips sliding up and down the pole. They get on the bed so Brandy can continue her knob-gobbling while his fingers massage her gorgeous pussy.

"Eat my pussy," the lil cutie implores in her babydoll voice.

She asks for cock in her dripping wet pussy and gets it in missionary while she licks and rubs her tits.

We had to practically slap ourselves upside the head seeing that Brandy was actually getting fucked for the first time in front of the *SCORE* cameras because we thought we were just hallucinating.

Let's face it. We fantasize about fucking these girls while we look at their bodies in solo pictorials so to see them take cock is awesome.

The combination of Brandy getting a cock slid into her pussy while she plays with her jugs and stares at the camera with a pleading expression will have you going through enough tissue paper to stock a hospital. They do a sidesaddle screwing next with more of that Brandy "fuck me" eye-contact before she gets on her knees for a spanking and doggy fuck. Her mouthwatering hangers dangle and swing an inch from the mattress while she's doggied. Reverse cowgirl and then cowgirl humping with mucho breast handling and eye-contact is next. A point-of-view piledriving of Brandy on the floor should finish you off. It did this reviewer. Little Brandy gasps, moans and groans while the big cock spreads her fresh pussy lips open wide in this exciting male-dominant position.

Finally, she gets on her back and licks his hanging nuts and cock to earn her reward, a goo shower over her beautiful, big tits as she lays on her back in rapture.

This reviewer had to watch the Brandy segment twice as a reality-check even though I knew damn well she'd done the deed. After all, a hole in the wall by my desk gives me a complete view of the SCORE studio.

The video is available on VHS and DVD (same price either way) and the DVD extras are video footage of Brandy and Carmen posing for solo magazine pictorials (in Carmen's case, her debut SCORE pictorial in the March '04 issue) plus a slide show of five hardcore still photos of each of the four girls in this video. There are also previews of other SCORE Group videos and website previews.

As a SCORE magazine staff member for over ten years, I personally guarantee you'll love all of the girls and the xxxplicit hardcore action in this first volume of *Hard SCORE*.

I know I did!

SAHOLY NO HOLES BARRED

FEB. '04 SCORE DEBUTANTE SAHOLY MAKES A BIG hardcore DEBUT!

Talk about going all the way! Back in the Feb. '04 *SCORE*, we told you how Saholy showed up at our office, having flown all the way from Indonesia to see if she could be in *SCORE*. She wanted to do hardcore, but we didn't have a male performer available, so Saholy came back a month later and took the XXX plunge...anally!

CHECK LIST SAHOLY

AGE: 27 **BIRTHDAY:** July 4, 1976

PREVIOUS SCORE APPEARANCE: Feb. '04

VIDEO: *SCORE XTRA #10* (XXX-Rated hardcore debut video with anal, available on page 23 of this month's *SCORE*)

Saholy actually wanted to practice before doing anal for *SCORE Xtra #10*. Rather than work on a dildo, she said, "Why don't we do one fuck for the video and another for the magazine? I want to fuck a lot. I want to cum!" Trust us, she did that and then some. She's the wife of *SCORE* reader, who told us (while he watched his wife in action) that it has always been Saholy's dream to be in *SCORE*, but what she really wants is to be a porn star and to get dicked by porn's biggest male studs. Saholy gets off on it and the more she fucks, the more she cums. When you love what you're doing, you do it good! Saholy's proof.

The video is *SCORE Xtra #10*, it's on page 23 of this month's *SCORE*, and it has a shitload of anal sex and hardcore debuts, including Saholy getting nailed to the hilt in every hole. Plus, there's one wild scene where she gets fucked in the ass while her pussy gets shaved. Yeah, we couldn't believe that one either. But, seeing is believing, and you'll definitely be a believer when you jack off a 100 times to Saholy on *SCORE Xtra #10*. How do we know? We speak from experience!
